# WELCOME LETTER FROM ADMINISTRATION

Dear Parents/Guardians:

The administration, faculty and staff of Tomah High School welcome you and your child to our great school! It is our sincere hope that your child will find this year challenging, rewarding and exciting.

Our major goal is for each student to reach his/her greatest potential. We urge you to be our partner in this effort. It is the combined responsibility of homes, school, and community to help students become responsible adults in society.

Our mission is to ensure excellence and opportunity for our students. It is our intent to foster for every student a positive attitude toward self and learning, an ability to think creatively and critically, communicate effectively, welcome diversity in people and contribute positively to our community.

This handbook contains very important information. The policies, procedures and expectations described are reasonable and necessary for maintaining a quality learning environment. Please read this handbook with your child. Being familiar with the contents is everyone's responsibility.

Robert Joyce, Principal Jamie Nusbaum, Associate Principal Jeff Adams, Associate Principal

# STATEMENT OF PHILOSOPHY

The Board of Education believes that the school, as an educational institution of our social system, has been organized to promote the aims and objectives of our democratic society. The Board believes that each person should be accepted into the educational program as is, and that she/he should be provided with a stimulating environment and opportunities for learning experiences designed to promote behavioral development that will effect continuing satisfactory adjustments to life.

We believe each child is unique, and that the school must offer varied experiences and a wide range of acceptable standards to take these differences into account.

We believe the school must provide experiences with regard for their effect upon all aspects of the learner's development—intellectual, emotional, physical and social.

We believe that since our society is a democracy, the school must provide the students with experiences which will: (1) help them achieve academic competence; (2) help them to become sensitive to problems of common welfare in the family, the school and the community, the nation and the world; (3) teach them to work with others in the solution of these problems; (4) develop their feelings of individual responsibility for the common welfare; and (5) help them to act in harmony with what he/she says or believes.

We must believe that each child has worth and dignity, and that the school must continue to develop in the students, the understanding that with the privilege of public education, goes the acceptance of responsibility for participating in the improvement of society.

It is the policy of the Tomah Area School District that no person may be denied admission to any public school in this district or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil service, recreational, or other program or activity because of the person's race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex (including transgender status, change of sex or gender identity) or physical, mental, emotional, or learning disability ("Protected Classes") as required by s. 118.13, Wis. # **RELIGIOUS & PATRIOTIC CEREMONIES (8800)**

Decisions of the United States Supreme Court have made it clear that it is not the province of a public school to advance or inhibit religious beliefs or practices. Under the First and Fourteenth Amendments to the Constitution, this remains the inviolate province of the individual and the church of his/her choice. The rights of any minority, no matter how small, must be protected. No matter how well intended, either official or unofficial sponsorship of religiously-oriented activities by the school are offensive to some and tend to supplant activities which should be the exclusive province of individual religious groups, churches, private organizations, or the family. View Policy 8800

# RELIGIOUS EXPRESSIONS IN THE DISTRICT (8800B)

School Board policy 8800B covers: student prayer and religious instruction, graduation prayer and baccalaureates, official neutrality regarding religious activity, teaching about religion, student assignments, religious literature, religious excusals, released time, teaching values, and student garb. View Policy 8800B

# **VOICING QUESTIONS & CONCERNS**

Constructive criticism of the school is welcome when it is motivated by a sincere desire to improve the quality of the educational program and to equip the school to perform its task more effectively.

The following steps should be followed if you have a concern about district personnel or procedures:

- 1. Contact the staff member directly responsible.
- 2. Contact the building principal.

It may be submitted in writing to the District Administrator if the complaint is not satisfactorily resolved in Steps 1 or 2 above. View Policy 9130

# REFERENCING DISTRICT POLICIES

School Board Policies are hyperlinked throughout this Handbook for quick reference. Complete and full policies are posted to our website at:

https://go.boarddocs.com/wi/tasd/Board.nsf/Public?open&id=policies#

# **WORK PERMITS**

16 and 17 year-old minors do NOT need to obtain a work permit prior to beginning work.

- Work permits will not be issued for minors ages 16 or 17.
- Minors younger than 16 must obtain a work permit prior to beginning work, unless an exception applies.

If you are younger than 16, Wisconsin law states you must have a work permit for each new job. Work permits can be secured online through the Department of Workforce Development (DWD)

https://www.dwd.wisconsin.gov/er/laborstandards/workpermit/

# **DISTRICT ATTENDANCE POLICIES**

The Board of Education believes it is the shared responsibility of the school and the home to assist the students in developing desirable habits of punctuality and attendance. The Board expects that every step will be taken by school personnel to implement this philosophy. All children are expected to be in attendance each day unless they are ill or a family emergency arises.

# STUDENT ILLNESS

For short-notice absences such as illness or family emergencies (the morning of a school day), please call, email or fax the attendance office:

Phone 608-374-7357

Email shannonsalzwedel@tomah.education

Fax 608-374-7290

The High School office must be notified each day a student is absent. Parents may call or email their child's absence to the attendance office twenty-four (24) hours a day, seven (7) days a week. If a parental notification is not received, an automated phone message will go out to parents at 4:00 p.m. the day of the absence. The absence will be marked unexcused unless a written note is either submitted before the absence or within two days (48 hours) after returning from the absence.

For absences due to medical or legal appointments, parents/guardians may call the attendance office or students may bring a note written by a parent or guardian to the attendance office before school and flether partification is also pass. The note must contain:

- 2. destination,
- 3. length of absence,
- 4 and date of absence

It is highly recommended to obtain a note while at the appointment in order for the absence to be excused medically. A medically excused absence can be for any medical reason, such as dental/orthodontic appointments, physical appointments and behavioral health appointments. The medical note must be obtained directly from the health care facility and signed by approved personnel.

When at school, students may not leave the grounds (except for lunch and school activities) without a dismissal slip. Students who become ill at school must report to the office. The school must contact a parent/guardian before the student may leave school. If the

illness happens over lunch and the student does not return, a parent or guardian must contact the school the same day in order for the absence to be excused.

# PRE-EXCUSED ABSENCES

For an absence to be considered "pre-excused", students must complete a pre-excused absence form. The form can be picked up in the main office and must be:

- 1. signed by the student's teachers, who will indicate what work will be missed that day.
- 2. signed by the student and a parent/guardian,
- 3. turned in to the main office one day prior to the absence.

The Associate Principal may assign detentions to students who receive an unexcused absence.

# **AGE OF MAJORITY**

All students at Tomah High School are subject to school rules. Students who have reached their 18th birthday are permitted to originate their own request for excuse for absence only if they (1) are not living with their parent or guardian or (2) the parent or guardian returns a signed permission form, which is available in the high school office, to the school stating the student is responsible for him or herself. The school will continue parent communication unless specifically requested in writing to stop. The student is still bound by the same set of acceptable reasons as listed in the school attendance policy.

# TRUANCY AND HABITUAL TRUANCY

Truancy is defined as any absence of part or all of one or more school days during which the school has not been notified of the legal cause of such absence by the parent/guardian of the absent student, and also means intermittent attendance carried on for the purpose of defeating the intent of the compulsory attendance law (Wisconsin State Statutes 118.15 and 118.16(1)(c)). Parents/guardians will be notified when a student has an unexcused absence. Notices shall be made by personal contact, mail or telephone of which a written record is kept. Some common examples of absences that will be considered truancies: leaving the building without checking out, skipping classes, over sleeping, etc. If a student is in the school building, but not where they are supposed to be, the student is considered unexcused and will receive consequences.

Habitual Truancy may be filed when a student reaches five (5) unexcused absences in a semester.

# View Policy 5200.

# TOMAH HIGH SCHOOL TARDY POLICY

Members of the THS community will be in their classrooms on time. In accordance with the truancy laws, missing part of a day will be defined as missing any part of a class. Therefore, a student who comes to class late has missed part of the day. Since the purpose of this policy is to encourage punctuality, and not punish the students who may occasionally encounter a jammed locker, a student will not receive an unexcused absence for truancy purposes until they reach three unexcused tardies. Accordingly, a student may be referred to truancy court when they accrue some combination of unexcused tardies and unexcused absences that adds up to five. A student could therefore be referred to truancy court for five unexcused absences or fifteen unexcused tardies or any combination of the two such as three unexcused absences and six unexcused tardies. Students who are 18 years old will be subject to extended detention for violating the Tomah H.S. attendance and/or tardy policy.

#### WITHDRAWAL FROM SCHOOL

State statutes now require full time attendance until the end of the semester in which the student becomes 18 years of age. In the event a student is to withdraw from Tomah High School during the school year, it is important that the following procedure is followed:

- 1. A withdrawal card needs to be completed in the high school office. The withdrawal card is to be signed by the parent if the student is under age 18. This acknowledges parental permission for school or program transfer.
- 2. It is to be noted on the card the reason for withdrawal.

# **BUILDING SAFETY & SECURITY**

#### **VISITORS**

Any visitors allowed in the building will be at the discretion of the building principal and school staff. During the school day, while school is in session, all doors will be locked. Students are not permitted to bring other children to school as guests. For the safety and security of students, staff and guests, visitors are expected to follow the procedure below:

- » Visitors during the school day must enter through the main entrance to sign in and get a visitor's pass.
- Once identified, visitors may sign in and enter the building to go to a specific location for a specific purpose.
- » Once your visit is complete, all visitors must exit the building through the main entrance and sign out verifying they have left the building.

# **LOITERING**

No person 14 years or older shall loiter in or about any public or private school or public building. Loiter means to delay, linger, idle or present oneself within a school or upon school grounds or public building without a lawful purpose for being present. Loitering shall further include being present without permission of school or public authorities or being present for a purpose not directly related to the normal conduct to education or business within or around a school or public building.

# **FIRE & TORNADO DRILLS**

Fire and tornado drills are held at regular intervals throughout the school year. Remember these basic rules:

- 1. Check the instructions posted in each classroom indicating how to leave the building or where to go in case of a fire/tornado.
- 2. Walk single file. No talking. Move quickly and quietly to the designated area.

# **SAFETY DRILLS**

While schools are a place of learning and personal growth, they are not immune from societal problems. As a result, educators and law enforcement must cope with numerous challenges to school safety. In order to maintain a safe environment for students and teachers, we implement practice drills to assist us in responding to a crisis or emergency situation. Just as we conduct regular practice fire and tornado drills to ensure that we can safely evacuate the building or get students to a safe area quickly, practice safety drills will be conducted. These drills will help students and staff become better equipped to deal with a crisis situation in as calm and controlled a manner as possible.

#### **USE OF THE BUILDING**

Non-School Organizations

Outside groups who wish to use the auditorium, gymnasium, or other parts of the building must make application for the room(s) with the District Office at 374-7005. No group or individual may use any part of the building outside regular school hours without a member of the faculty being in attendance with the person or group the entire time the person or group uses the building.

High School Groups or Individuals Using Building High school groups who wish to use any part of the building outside of regular school hours must reserve the room(s) with the District Office at 374-7005.

View Policy 7510

# **USE OF VIDEO CAMERAS/PHOTOGRAPHS**

The school may utilize video cameras and handheld cameras throughout the building to assist with monitoring safety, as well as for instructional purposes. Photographs may be taken for the school yearbook and newspaper, the Tomah Journal or other local papers, and/or displayed for students, staff and visitors. Students should not bring cameras to school for their own personal use unless approved in advance by administration.

View Policy 7440.01

# **WEAPONS (5772)**

The Board prohibits students from possessing, storing, making, or using a weapon in any setting that is under the control and supervision of the District for the purpose of school activities approved and authorized by the District including, but not limited to, property leased, owned, or contracted for by the District, a school-sponsored event, or in a District vehicle, to the extent permitted by law. View Policy 5772

# **ARRIVAL**

- » Classes for students begin at 7:55 A.M.
- » Please note that the school does not provide supervision of students arriving prior to 7:30 A.M.
- » If you drop off your children in the morning, please remember not to block the lanes of traffic at the school.

# **DISMISSAL**

- » Students will be dismissed from school at 3:21 P.M.
- » Students who ride a bus are expected to go directly to the loading area.
- » Students who walk or leave by private transportation are expected to leave school grounds promptly.
- » Students are not to remain in the school after dismissal.
- » Please note that the school does not provide supervision for students after dismissal.
- » Students may remain at school for special programs, extra work or discipline only if prior arrangements have been made with the child's teacher or other school personnel.

#### HARASSMENT/HAZING

Harassment/hazing are unwanted physical or verbal behaviors which are directed at a student or staff member and serve no legitimate purpose. Harassment/hazing are illegal and will not be tolerated at the high school.

Every child has the right to feel safe and secure in the school environment. There can be no tolerance for harassment, intimidation or bullying. Harassment in school can affect student achievement and participation in school activities and has a huge emotional cost. All school districts are obligated to adopt policies and procedures responding to complaints of pupil harassment. Districts are also encouraged to take pro-active steps to prevent pupil harassment.

Harassment, bullying behavior and cyber bullying are taken very seriously. Students engaging in this behavior may be given a warning that their behavior is unacceptable and then, if it continues, progressive disciplinary action will occur. All day suspension and a referral to the Tomah Police Department will occur if a student does not self-correct his/her inappropriate behavior.

We know you share our concern that all students feel safe and secure in our schools. In order to reach this goal, elimination of harassment, intimidation and bullying is essential. Please talk with your child about harassment and bullying. Preventing this type of behavior is a job for all of us - parents, educators and students.

See Tomah School Board Policies 5517, 3362, 4362 for more information regarding harassment.

# VIDEO SURVEILLANCE AND ELECTRONIC MONITORING

Please be advised there are video surveillance cameras on premises. Personal information and activities recorded are collected and used to maintain a safe and secure environment in schools and on school district property and may be disclosed for law enforcement purposes. For questions or concerns, please contact the building principal at 608-374-7358.

# IN THE EVENT OF A SCHOOL EMERGENCY

Should an emergency situation arise in our community and/or one of our schools while school is in session, we want you to be aware the schools have made preparations to respond effectively and appropriately to such situations. The Tomah Area School District has a detailed, all-hazards emergency plan that has been formulated to provide direction to its staff and students during such an incident.

# In the event of an emergency, we ask for your cooperation in the following procedures:

- 1. Please do not telephone the school. Telephone lines must be kept available for emergency communication.
- 2. Please do not come to the school unless requested to pick up your child.
- 3. In the event of an emergency that requires us to evacuate and relocate, students may be picked up at a designated reunification location by an identified, responsible adult who has been identified through the student's emergency contact information as recorded in our student information system "Infinite Campus".
- 4. Emergency contact information must be designated by parents/guardians at the beginning of every school year and kept updated as needed through "Infinite Campus Parental Access" or by contacting the District Office.

# You can expect the District to respond in the following manner:

- » For weather-related incidents, turn your radio to emergency announcements for weather updates
- Information regarding day-to-day school operations will be available on our district web site and other methods of mass communication including local media. Updates will be made as appropriate.

Please impress upon your children the need for them to follow the directions of any school personnel in times of an emergency. When authorizing another person to pick up your child, please consider the following requirements:

- » He/she is at least 18 years of age
- » He/she is usually available during the day
- » He/she could walk/drive to your child's school, if necessary
- » He/she is known to your child
- » He/she is aware of and able to assume this responsibility
- » He/she is able to provide proper identification to school officials in order to confirm status as an emergency contact

# PARENTAL CUSTODY

In cases of separation or divorce, the school must be informed of concerning custody and other circumstances that ma require duplicate report cards and school mailings. If one parent is legally restrained from access to a child, the school requires legal confirmation of such actions to be on file. Please discuss these circumstances with your school principal.

# **SEARCH AND SEIZURE**

The Board of Education has charged school authorities with the responsibility of safeguarding the safety and well-being of the students in their care. In the discharge of that responsibility, school authorities may search school property such as lockers used by students or the person or property, including vehicles, of a student, in accordance with the following policy.

Except as provided below, a request for the search of a student or a student's possessions will be directed to the principal. Whenever possible, a search will be conducted by the principal in the presence of the student and a staff member. A search prompted by the reasonable suspicion that health and safety are immediately threatened will be conducted with as much speed and dispatch as may be required to protect persons and property.

Search of a student's person or intimate personal belongings shall be conducted by a person of the student's gender or in the presence of another staff member of the same gender, and in a manner that is minimally intrusive to the student based on the reasonable suspicion justifying the search.

# **School Property**

The Board acknowledges the need for in-school storage of student possessions and shall provide storage places, including desks and lockers, for that purpose. Desks and lockers are public property and school authorities may make reasonable regulations regarding their use. The District retains ownership and possessory control of student desks and lockers and the same may be searched at random by school personnel at any time. A showing of reasonable cause or suspicion is not a necessary precondition to a search under this paragraph. Students shall not have an expectation of privacy in lockers, desks, or other school property as to prevent examination by a school official. The Board directs the school principals to provide students with written notice of this policy at least annually and that routine inspections be done at least annually of all such storage places.

The Board directs that the searches may be conducted by the District Administrator, building principals, assistant principals, School Resource Officer, or law enforcement officer when requested.

# **Student Person and Possessions**

The Board recognizes that the privacy of students or his/her belongings may not be violated by unreasonable search and seizure and directs that no student be searched without reasonable suspicion that the search will turn up evidence that the student has violated or is violating either a particular law or a particular rule of the school. Any search under this paragraph must be reasonable in scope and reasonable in the manner in which it is conducted. The extent of the search will be governed by the seriousness of the suspected infraction, the student's age and gender, the student's disciplinary history, and any other relevant circumstances or information. The Principal may arrange for a breath test for blood-alcohol to be conducted on a student whenever s/he has individualized reasonable suspicion to believe the student has consumed or is under the influence of an alcoholic beverage while on school premises or while participating in a school-sponsored activity. If the result indicates a violation of school rules as described in the student handbook, the disciplinary procedure described in the student handbook will be followed. If the student refuses to take the test, the Principal will inform the student that refusal to participate implies admission of guilt leading to disciplinary action consistent with the student handbook.

This authorization to search shall also apply to all situations in which the student is under the jurisdiction of the Board. Under no circumstances shall a school official ever conduct a strip search of a student.

# **Parking Permit Required**

Permission for a student to bring a vehicle on school property shall be conditioned upon written consent of the search of the vehicle and all containers inside the vehicle by a school administrator with reasonable suspicion to believe the search will produce evidence of a violation of a particular law, a school rule, or a condition that endangers the safety or health of the student driver or others. If an administrator determines a search is necessary, he or she should request consent to search the vehicle and all containers inside the vehicle. If consent is not given, a school administrator may proceed with the search. An administrator may contact the police liaison officer or law enforcement agency for assistance in conducting a search.

# **Use of Dogs**

The Board authorizes the use of specially-trained dogs to detect the presence of drugs and devices such as bombs on school property under the following conditions:

The presence of the dogs on school property is authorized in advance by the District Administrator, except in emergency situations, or is pursuant to a court order or warrant.

The dog must be handled by a law enforcement officer or certified organization specially trained to safely and competently work with the dog.

The dog is represented by the Sheriff or Chief of the law enforcement agency providing the service as capable of accurately detecting drugs and/or devices.

The principal shall be responsible for the prompt recording in writing of each student search, including the reasons for the search; information received that established the need for the search and the name of informant, if any; the persons present when the search was conducted; any substances or objects found and the disposition made of them; and any subsequent action taken. The principal shall be responsible for the custody, control, and disposition of any illegal or dangerous substance or object taken from a student.

The District Administrator may request the assistance of a law enforcement agency in implementing any aspect of this policy. Where law enforcement officers participate in a search on school property or at a school activity pursuant to a request from the District Administrator, the search shall be conducted by the law enforcement officers at the direction of a District official. Law enforcement searches conducted independent of any District official request or direction shall be conducted based on standard applicable to law enforcement.

Anything found in the course of a search pursuant to this policy which constitutes evidence of a violation of a particular law or school rule or which endangers the safety or health of any person shall be seized and properly cataloged for use as evidence if appropriate. Seized items shall be returned to the owner if the items may be lawfully possessed by the owner. Seized items that may not lawfully be possessed by the owner shall be turned over to law enforcement.

The District Administrator shall prepare administrative guidelines to implement this policy and shall provide students and staff with written notice of this policy and guidelines at least annually.

#### PARKING PERMIT AND PARKING LOT RULES

Permission for a student to bring a vehicle on school property shall be conditioned upon written consent of the search of the vehicle and all containers inside the vehicle by a school administrator with reasonable suspicion to believe the search will produce evidence of a violation of a particular law, a school rule, or a condition that endangers the safety or health of the student driver or others. If an administrator determines a search is necessary, he or she should request consent to search the vehicle and all containers inside the vehicle. If consent is not given, a school administrator may proceed with the search. An administrator may contact the police liaison officer or law enforcement agency for assistance in conducting a search.

- 1. Permit cost is \$20, THERE WILL BE NO REFUNDS. You must have a permit to park in the school lot.
- 2. The student must have a valid driver's license before being issued a permit.
- 3. The parking permit can be displayed either on the rear windshield or front windshield of the vehicle (make sure to locate in a way that does not impair vision). If the vehicle is a truck and has a topper, the sticker can be placed either on the front windshield or on the rear window of the topper. Convertibles should display the parking permit in the front lower section of the windshield (make sure to locate in a way that does not impair vision). Motorcycles do not have to display a parking sticker but must be registered in the high school office and pay the same \$20 fee.
- 4. In accordance with Board Policy 5771, Search and Seizure, vehicles parked in the school lot are subject to search and seizure at any time there is reasonable suspicion or cause. In addition, Board Policy 5515 states: Students who park their vehicles in any school parking lot or on school property are subject to restrictions on what is displayed on or in their vehicles. Distasteful and/ or disruptive expression including, but not limited to, bumper stickers and window paintings determined to be inappropriate by the administration must be removed.
- 5. The parking lot is off limits during class time unless the student signs out and receives a pass from the high school office.

#### LOSS OF PERSONAL PROPERTY

The Tomah School District will in no way be responsible for any item of property left in or at any Tomah School Building whether with or without the knowledge of School District employees or students. The School District does not carry a non-ownership policy on these items in any school. Any loss suffered directly or indirectly will be at the owner's risk. Students must use their designated locker and the locker must always be locked. Lost items that are found are returned to the main office. Any unclaimed items are donated or thrown away at the end of each quarter.

#### **VISITORS**

Parents are always welcome to visit the school. As we implement our security measures, we understand the increased need to be aware of all visitors to our building. The following procedures are in place to ensure the safety of our building:

- » All visitors during the school day (7:55 am to 3:21 pm) must enter through the Lincoln Avenue doors to receive a visitor's pass.
- » Once identified, visitors may sign in and enter the building to go to a specific location for a specific purpose (i.e. prescheduled meeting with a teacher, athletic office, main office, counseling office, etc.)
- » Once done, all visitors must exit the building out the same Lincoln Avenue doors to sign out, verifying that they have left the building.
- » Visitors are not permitted in the cafeteria/commons during the lunch period. If you wish to take your student out for lunch, they can be picked up and taken off campus for lunch and returned before the start of the next class period.
- » Visitors are not allowed to stay and spend any part of the school day at school with their student (i.e. "hang out"). The visit must be for a specific reason, leaving when that specific reason is completed.
- » Student visitors are not allowed while school is in session.

# **GUESTS AT THS DANCES**

# **HEALTH & MEDICAL**

# **GUIDELINES FOR STAYING HOME**

Parents and staff should follow the following guidelines when determining whether a child should stay home from school:

# Your Child Should Stay Home If:

- Has a fever greater than 100 degrees
- Has been vomiting within the last 24 hours
- Has had diarrhea within the last 24 hours
- Has a rash with fever that is open and draining
- Has strep throat or impetigo and has not been on medication for 24 hours

The following communicable diseases need to be reported to the school nurse at 608-374-7015.

- Chicken pox
- Fifth disease
- Head lice
- Impetigo
- Mono

- Lyme disease
- Ring worm
- » Scabies
- Shingles
- Strep throat
- Pneumonia

Your child may return to school when:

- Is fever free for 24 hours without medication
- Has been on medication for Strep Throat for at least 24 hours
- Has not vomited for at least 24 hours
- Has been diarrhea free for at least 24 hours

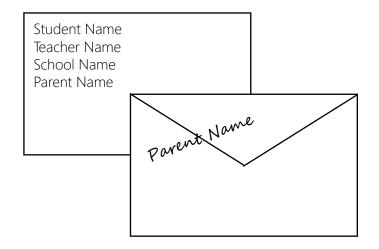

If your child is going to be absent, please call the school office prior to 8:30 a.m.

# **BRINGING MEDICATION TO SCHOOL**

When possible, please bring your child's medication to school and drop it off in the main office.

If you are unable to bring in the medication, it can be sent to school with your student, but it MUST be in a sealed envelope. On the front on the envelope please include: Student's Name, Teacher, School, and parent(s)/quardian(s) printed name. On the back of the envelope, seal the flap and put your signature across the flap. This procedure is in place for the safety of your children.

# View Policy 5330

# **MEDICATION**

School personnel cannot administer any medication without written consent from a parent. A physician's signature and parent signature will be required for all prescription medication to be administered during the school day. Over-the-counter medication requires a parent/guardian signature only.

The completion of the "School Medication/Procedure Form" and obtaining the physician's signature will be the parent's responsibility. Medication forms may be faxed to 374-7303. Forms will be sent to the appropriate school. Students who need to take medication must have the "School Medication/Procedure Form" completed, signed and on file at the school. The medication must be in the original container. The medication forms are available in each school and at area clinics. Medications (prescription and over-the-counter) cannot be sent home with students. Parents must pick them up.

Medication should only be given in school if absolutely necessary. Medication scheduled for three times a day should be given right before school in the morning, immediately after school at home and at bedtime. An exception would be medications prescribed for a specific time (e.g. Ritalin). We would like to discourage the excessive use of over-the-counter medications. Please have guidelines as to when your child should request an over-the-counter medication.

Some students think they are "supposed to take it" because they know their parents have filled out the form and have the over-the-counter medication available at school

#### **HEAD LICE PREVENTION AND TREATMENT**

Between 10 and 12 million American school children are infested with head lice every year. It occurs in more children than all other communicable childhood diseases combined, except the common cold. Head lice can happen to anyone, and is not associated with a lack of cleanliness. The best way to confirm a lice infestation is to look for eggs, which are called "nits." Nits are small, silvery and oval shaped. They are firmly attached to the hair shaft at an angle. They will not shake loose like dandruff or sand. The actual louse is smaller than a sesame seed. They are wingless, flat and of varying colors.

Head lice are transmitted directly from one person to another, or by contact with articles that have been used by an infested person such as with combs, brushes, hats, scarves and bedding. Lice can live away from a human host for 2-3 days and nits can survive up to 12 days.

Generally, lice treated once can be eradicated. It is a matter of washing the hair with lice killing shampoo, and then carefully removing all nits. Removal of nits is sometimes made easier with special metal nit combs. To completely get rid of lice, it is important to also clean other areas where the lice might be, including: recently worn clothing, bedding, pillows, stuffed animals, couches, combs, brushes, other hair accessories and cars.

It is the responsibility of the parents to check children at regular intervals for lice. Watch for symptoms of infestation, especially itching. Look at the scalp in good light. Most nits will be in the hair around the ears or at the crown of the head. The lice move very quickly away from light. Parents should recheck their children for any symptoms of head lice 14 days after treatment.

If the shampoo fails more than once, parents should contact their physician. Recent studies have indicated that head lice are becoming resistive to current treatments. These shampoos are pesticides and can be very harmful if misused or overused.

If you have any questions, feel free to contact the school district nurse at 374-7015

#### ABSENCES DUE TO HEAD LICE

Students who have head lice or excessive nits will be sent home. Students will not be allowed to return to school until after being treated with a louse control shampoo and completing a required checklist (sample form is below). This list will be sent home with your child. The child will be checked upon return to school, and must be louse free to be readmitted.

- » Each child will be rechecked at 7 and 14 days for lice and/or nits
- » Children will not be readmitted until louse free. After two repeat cases in a semester, it is considered
- » an unexcused absence and could result in truancy
- » At third occurrence, a parent must be present when child is checked to be readmitted to school

# **CONCUSSIONS**

Due to increased awareness and understanding of the impact of a concussion which is a type of traumatic brain injury, parents who inform coaches and teachers that their child is being treated by a health care professional for a concussion will need to provide written clearance by a healthcare professional before being allowed to participate in any school-related physical activities. Any time a student is suspected of having or diagnosed with a concussion, written clearance for full participation will be required from a healthcare provider.

For additional information, parents and students can refer to administrative guideline 5340A, Student Accident, Illness/Concussion.

#### **ACCIDENTS**

If your child is injured at school, we will make him or her comfortable and then call you if a serious injury has occurred. If you cannot be reached, we will attempt to contact the emergency number that you have provided.

#### SUICIDE PREVENTION NOTICE & RESOURCES

SUICIDE PREVENTION NOTICE AND RESOURCES For many years there has been a high rate of youth contemplating suicide in Wisconsin. State law requires that school staff members be notified annually of DPI's youth suicide prevention resources. In addition to the resources listed below, TASD Board Policy exists for suicide. There is a link to the TASD website for School Board Policies online.

Why should we worry about youth suicide? Are many kids really depressed or suicidal?

- » Suicide is the second leading cause of death among youth in Wisconsin.
- » One in six deaths overall among Wisconsin youth are self-inflicted, one in five injury-related deaths.
- For youth ages 10-19, we have the 13th highest rate in the US, 42% higher than the U.S. average.
- » For students ages 10-14, Wisconsin's suicide rate is fifth highest in the U.S.
- » More than one in five Wisconsin high school students report symptoms of depression annually.

Suicide can be prevented—we're already making progress, but there is much more to do.

- » Wisconsin has seen a downward trend in completed youth suicides from 2005-2007. This is very promising;
- » school staffs are instrumental for continued support of prevention strategies.
- » Mental health concerns, such as depression and anxiety, usually contribute to attempted and completed suicides.
- » These concerns are treatable, but they must be recognized.
- » Everyone in a school community can identify and help students at risk for attempting suicide.

# **EARLY WARNING SIGNS TO LOOK FOR:**

- » Decline in quality of school work
- » Social withdrawal
- » Personality and mood changes
- » Changes in sleeping and eating
- » Preoccupation with death

# **URGENT WARNING SIGNS TO LOOK FOR:**

- » Threats about hurting self
- » Talking about a specific plan
- » Violent actions, rebellious behavior, running away
- » Hopelessness, helplessness, or worthlessness
- » Giving away favorite possessions

# **COMMON SUICIDE MYTHS & REALITIES**

**Myth:** Asking a student how they are doing or if they have had thoughts about harming themselves will bring on thoughts of suicide.

**Reality**: Students are already thinking about and completing suicide. Carefully talking about the topic and getting students to help are keys to preventing suicide.

**Myth**: Students won't be honest when asked if they need help.

**Reality**: Students who are having thoughts about suicide are usually scared and want help. No one truly wants to die.

**Myth**: Only pupil service professionals can/should help a suicidal student.

**Reality**: Everyone in school can help prevent youth suicide by connecting students to appropriate helping professionals.

#### SUICIDE PREVENTION PROCEDURES

What to do if you are concerned about a student:

Teachers and other school staff are well-positioned to observe student behavior and to **ACT** if there is a suspicion that a student may consider self-harm. Young people lack the perspective of time. Suicide is a permanent solution to a temporary problem, but for kids, their problems can seem endless at this stage. If we get them through the crisis, there is a 90% chance that they will never attempt suicide.

# ACT stands for Acknowledge, Care, and Tell.

# **Acknowledge** feelings:

- » "I'm sorry to hear about this. It sounds really hard."
- Telling a student to "get over it" or "move on" is not realistic for a person with depression.

# Show **Care** and Concern:

"I'm worried about you. I don't want anything bad to happen to you or for you to be hurt."

# **Tell** a member of your crisis team:

"Let's go talk with someone in the counseling office. They know how to work with students who have concerns like these."

These steps (Acknowledge-Care-Tell) are a central component of the "Signs of Suicide" program (SOS), an evidence-based school-wide intervention program. SOS kits for middle school and high school are available through your local CESA.

State law protects school district employees and volunteers from civil liability for their acts and omissions when trying to intervene in a student's suicide. **It's safe to ACT!**

# **ELEVATOR USE**

In order to use the elevator, students must bring written permission from a parent or doctor that justifies their need for this special service. Students will receive an elevator pass from the Counseling Office.

# NON-EMERGENCY, INVASIVE PHYSICAL EXAMINATIONS OR SCREENINGS

Parents will be notified in advance of any non-emergency, invasive physical examination or screening which is required as a condition of attendance, administered by the school, or not necessary to protect the immediate health and safety of the student or other students (i.e. vision testing, scoliosis testing, vaccinations).

# **COLD WEATHER POLICY**

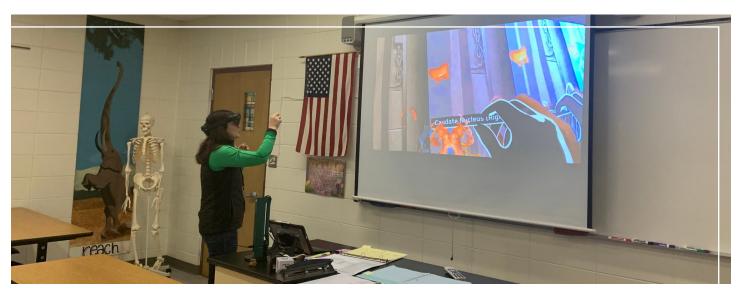

Students should dress appropriately for cold weather. Unless the weather is extreme, all children will be expected to remain outside during arrival times and recesses. Please do not send your child to school if he or she is too ill to participate in the outdoor recess activities unless prior arrangements have been made with the classroom teacher. The school will contact the parents of any child who frequently dresses inappropriately for the weather. Students will remain outdoors in the morning and will go out to recess when weather conditions permit. A temperature of 0 degree F is used as a guideline to determine if children should be out or in during recesses. However, the wind chill is a factor that will alter the 0 degree F guideline.

#### ANNUAL ASBESTOS NOTIFICATION JULY

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that the Tomah School District has an Asbestos Management Plan at the school district office. The plan is available for inspection by the public, parents, and district employees. The district performs six month periodic surveillance of asbestos in February and August and full re-inspections every three years. For more information please contact the district office.

# STUDENT CONDUCT

# **SCHOOL EXPECTATIONS**

- 1. Students are not allowed to leave school grounds during the day without permission or supervision. Once a student arrives on campus (dropped off by parents, gets off bus), he/she must remain on school grounds.
- 2. Public Display of Affection (PDA) The staff at school recognizes that genuine feelings of affection may exist between students; however, students will refrain from inappropriate intimate behaviors (such as, but not limited to, hugging, kissing, holding hands, etc.) on school grounds or at school related events. Repeated or especially inappropriate behavior in this regard may result in disciplinary actions.
- 3. No open containers of beverages or food are allowed in lockers, hallways, or the gymnasium. Parents are asked to discourage their child to bring an energy drinks or soda to school. All food and beverages must be consumed in the cafeteria or other designated eating areas. The only exception is students may bring a clear water bottle to school to use in the classrooms reducing the need to use the drinking fountain and miss instructional time. These containers must be used only for water.
- 4. Skateboards, razor scooters, rollerblades, bikes, and Heely shoes are not to be used on school property.
- 5. Book bags, fanny packs, purses and gym bags are to be kept in the student's locker unless other arrangements have been made with an administrator.
- 6. Laser devices are not allowed in school per state statute.
- 7. Possession and/or use of a Personal Communication Device (i.e. cell phones, tablets, MP3's, E-readers, etc...) by a student during the school day is a privilege that may be forfeited by a student who fails to abide by school expectations. Students may possess PCDs in school, on school property, during after school activities (e.g., extra curricular activities) and at school-related functions, they must be powered completely off (i.e., not just placed into vibrate or silent mode) and stored out of sight during school hours and during after school activities (e.g., extracurricular activities). However, technology including, but not limited to, PCDs intended and actually used for instructional purposes (e.g., taking notes, recording classroom lectures, writing papers) will be permitted, as approved by the classroom teacher or the building principal. The use of a PCD to engage in non-education-related communications is expressly prohibited. Students may use PCDs while riding to and from school on a school bus or other Board-provided vehicles or on a school bus or Board-provided vehicle during school-sponsored activities, at the discretion of the bus driver, classroom teacher, or sponsor/advisor/coach. Distracting behavior that creates an unsafe environment will not be tolerated. Finally, students should not use these devices to take pictures or video at any time during the

school day unless specifically given permission by a teacher or administrator. If a student chooses to bring these items to school to use during these approved times, they must be used responsibly and the students maintain responsibility for these items. If the student feels ill and needs to contact home, he/she must call from our Counseling/Attendance Office. Doing so from a personal cell phone before reporting to the office not only slows down our ability to assist, it is in violation of school board policy. See Board Policy 5136 — Personal Communication Devices

- 8. Gambling of all types is prohibited.
- 9. No aerosol spray cans (i.e. deodorant, hairspray) are to be brought to school.

#### STUDENT CONDUCT & DISCIPLINE

Every student has the right to attend school and participate in activities in a safe and orderly environment, free from physical or verbal threats and behavior. In order to make this goal a reality, students are required to abide by the expectations laid out and follow school rules that have been established to create a safe and orderly environment.

Controlling behavior both in and around school takes a community effort. Tomah Middle School cooperates with agencies, including law enforcement, to maintain a proper learning atmosphere. However, parents and guardians play the most important role in developing good behavior and citizenship. <u>View Policy 5500</u>

# CONSEQUENCES FOR INAPPROPRIATE BEHAVIOR

The school has the responsibility to establish standards that promote a positive and proper learning environment. In order to fulfill this responsibility, all students, staff, and parents must be committed to a strong discipline policy that encourages accountability for actions. If a student has difficulty recognizing his/her responsibilities in relation to the expectations and rules we have set out, an adult in charge will intervene and respond with an appropriate action. These actions may include:

- » Verbal reprimand/conference with school personnel
- » Restriction of privileges and activities
- » Contact with parent
- » Exclusion from class
- » Time spent in the Alec Room
- » Lunch or after-school detention
- » Parent/student conference with school personnel
- » Replacement/repair of damaged property
- » Half day detention
- » All day detention
- » In-school suspension
- » Out-of-school suspension
- » Assignment to Decisions I
- » Referral to police and possible citation
- » Recommendation for expulsion to the Tomah School Board

#### **DRESS CODE**

The Board recognizes that each student's mode of dress, clothing, and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools.

Accordingly, the Board prohibits student dress, clothing, or grooming practices which:

- » present a hazard to the health or safety of the student or to others in the school;
- » materially interfere with school activities, or substantially disrupt the educational environment; or
- » prevent students from achieving educational objectives because of blocked vision or restricted movement.

The principal or designee shall serve as the initial arbiter of student dress, clothing, and grooming.

Dress, clothing or grooming constitutes expressive speech if the individual wearing or displaying the dress, clothing, or grooming intends to convey a particularized message through the wearing or display and the likelihood was great threat the message would be understood by those who viewed it. This standard shall apply whether the message is conveyed by depiction, words, or a combination of the two. If the dress, clothing, or grooming does not constitute expressive speech, it can be regulated by school officials.

Expressive speech in the form of dress, clothing, or grooming will be regulated consistent with applicable legal principles.

Expressive speech in the form of dress, clothing, or grooming prohibited if such speech is not protected by the First Amendment of the U.S. Constitution, such as dress, clothing or grooming that constitutes:

- » Defamation; or
- » A true threat.

Consistent with the legal parameters established under the First Amendment of the U.S. Constitution.

School officials can also regulate and prohibit dress, clothing, or grooming containing otherwise expressive speech if the dress, clothing, or grooming:

- » Can reasonably be viewed as promoting illegal drug use; or
- » Is vulgar, lewd, indecent, or plainly offensive.

Additionally, school officials can regulate dress, clothing or grooming if they can reasonably forecast that it will materially interfere with or substantially disrupt a school activity, such an interference or disruption actually occurs, or if the expression intrudes on the rights of other students. Such prohibited dress, clothing or grooming may include dress, clothing, or grooming that includes the use of , discriminatory language including racial or ethnic slurs, or negative stereotypes, Under this standard, the wearing or display of the Confederate flag during the school day and on school property is prohibited.

No protected speech may be prohibited on the basis of disagreement by school officials with the specific point of view expressed if the topic is otherwise permitted by this policy (e.g. permitting depictions of support for one political party, but prohibiting depictions of support for the other).

The District administration may establish the dress, clothing or grooming requirements for members of the athletic teams, bands, and other school groups when representing the District at a public event or within the context of school-sponsored and controlled curriculum or activities. Where appropriate, a uniform or specific dress, clothing, or grooming requirement shall be used for students when representing the District as described.

Students who violate the foregoing rules will not be admitted to class and may be subject to additional consequences.

If the dress, clothing, or grooming cannot be removed or concealed, the student may be sent home after contact is made with the student's parent/guardian.

- » Members of the THS Community will be in their classrooms on time,
- » All members of the THS Community will express themselves using respectful and appropriate language for a school environment,
- » Students will respect themselves and others by refraining from public displays of affection that are inappropriate for a school environment, and

Students suspended from school will not be permitted on school grounds during the days of suspension nor will they be permitted to participate in extra-curricular activities during their suspensions. Suspended students who appear on school property are subject to further disciplinary procedures to include referral to police department for trespassing.

#### RTI

Rtl (Response to Intervention) is a systematic approach to providing every student with the additional time and support needed to learn at high levels. Rtl's underlying premise is that schools should not wait until students fall far

enough behind to qualify for special education to provide them with the help they need. Instead, schools should provide targeted and systematic interventions to all students as soon as they demonstrate the need. In Tomah, our main goal is to provide every student with the skills and knowledge needed to be self-sufficient and successful by the time he/she graduates from high school.

#### **YOUTH GANGS**

The Tomah Area School District bars all gangs and gang graffiti, dress, activity, gang-related material, gang affiliations and gang-related activities from school buildings, school-related activities, and school property at all times. School property, school buildings, and school related activities are to be considered "Neutral Territory". A "gang" is defined as any identifiable group or club which exists without the sponsorship of the school or the sponsorship of any recognized adult community or civic organization and which engages in antisocial or criminal behavior activity. See Tomah School Board Policy 5840 for additional information on Student Groups.

# **BULLYING / HARASSMENT**

Every child has the right to feel safe and secure in the school environment. There will be no tolerance for harassment, intimidation or bullying. Bullying/harassment in school can affect student achievement and participation in school activities and has a huge emotional cost. All school districts are obligated to adopt policies and procedures responding to complaints of pupil harassment. Districts are also encouraged to take proactive steps to prevent pupil bullying/harassment. The Tomah School District has many programs in place to promote a safe environment for all students. Resiliency asset building, guidance and health curricula, protective behaviors, conflict manager and peer mediator programs are some of the programs that provide consistent, age-appropriate messages and skill development about respecting themselves and others.

Harassment and bullying behavior is taken very seriously. Students engaging in this behavior will be given a warning that their behavior is unacceptable and then, if it continues, progressive disciplinary action will occur. All day detention, suspension and a referral to the Tomah Police Department will occur if a student does not self-correct his/her inappropriate behavior.

We know you share our concern that all students feel safe and secure in our schools. In order to reach this goal, elimination of harassment, intimidation and bullying is essential. Please talk with your child about harassment and bullying. Preventing this type of behavior is a job for all of us parents, educators and students. These expectations are in accordance with <u>Board Policy 5517</u>, Student Anti-Harassment, and administrative guidelines which are printed in entirety in the Required Parental Notice and Board Polices section.

# **LOCKERS & LOCKER SEARCHES**

The lockers at Tomah High School are school property and may be searched by school personnel at any time. Each student is assigned a locker upon entering school. Students are advised to use their own assigned lockers and to not share their locker with other students. Students are advised that they assume responsibility for their locker and for all contents in their locker. Each locker is equipped with a combination lock, which must be used to lock and secure the locker. If a student loses a lock, the student must purchase a new lock for \$5.00. If the lock is found, the student will be refunded \$5.00. Students are encouraged to keep their locker combinations in strict confidence to maintain locker privacy. The Tomah School District does not assume responsibility for the loss, damage, or destruction of any property stored in the student lockers. Students bringing large sums of money to school are urged to bring it to the office for safe keeping until it is to be used. Students will be responsible for any writing or vandalism on his/her locker and will be expected to clean the locker to remove any graffiti. Nothing shall be hung on the locker or displayed on the locker unless authorized by the school administration. See School Board Policy 5771 for more information regarding school lockers and locker searches.

# **TIPS FOR SUCCESS**

- » Provide a place, the kitchen table for example, for your child to do his/her homework and check to see that it is completed daily. You may help your child plan when to do his/her homework, explain directions, and make sure that he/she has the necessary materials, but your child should do the actual work.
- Talk to your child about the papers he/she brings home from school and what he/she is learning.
- » If your child is in kindergarten, first, or second grade, read to your child or listen to him/her read to you on a daily basis.
- » If you child is in third, fourth, or fifth grade, make sure he/she has a library book to read. Talk to your child about what he/she is reading.

The high school report card is a standard based report card. This format helps you better understand your child's achievement of essential skills based on the Wisconsin Department of Public Instruction State Standards. These standards specify what students are expected to learn and be able to do at each grade level. For a more detailed explanation, talk with your child's teacher.

# SCHEDULE CHANGE POLICY

Once the schedule is set and the staff hired, it becomes extremely difficult to honor course change requests and still maintain the integrity of the master schedule. Students will receive a copy of their course list in the spring and will have the opportunity to make corrections by June of the previous school year.

ALL schedule change requests must be made in writing (forms are available in the counseling office). Parent, teacher, and/or administrative approval for the change may be required. Up until the end of the previous school year, students can submit any course change requests and teacher requests for consideration. Any schedule changes submitted after the end of the previous school year will only be accepted for the following reasons:

- 1. Course Upgrade: A schedule change request form, applying for a class upgrade, must be submitted by DAY 5 of the semester the course is offered in. Teacher approval must be obtained for the addition of an upgraded class. Upgraded class examples include dropping an elective for an academic course, changing from regular level to advanced level courses, and adding courses, work experience or a youth apprenticeship which align with an identified career pathway. All other course changes need to be submitted by the end of the previous school year.
- 2. Complete Graduation Requirements
- 3. The student is placed incorrectly in a class or lacks prerequisites or teacher recommendation
- 4. Course Load Reduction (student does not have a study hall): A student who has an overload schedule (8 classes) may drop a class for a study hall within the first 10 days of the semester with no penalty (i.e. the dropped class will not result in a Withdrawal/ Fail (W/F) grade).
  - e. After the 10th day of the semester, all dropped courses will receive a grade of W/F for the semester.
  - f. After the midquarter report of QUARTER 2 or QUARTER 4, all dropped classes will receive a grade of F for the semester.
  - g. A student who is already enrolled in a study hall and drops a course will receive a grade of W/F for the dropped course.

Not all requested changes will be granted. Changes are not official until processed through the counseling office. The student is required to attend the originally scheduled class and is responsible for the work until s/he receives a new schedule from the counseling office.

# TRANSFER OF RECORDS

The Tomah School District will transfer student records to another school district only when written notice from another school district in which a student intends to enroll has been received.

# **GRADE IMPROVEMENT PLAN (GIP)**

Students who receive two or more F's during biweekly grade checks will be assigned to the Grade Improvement Plan (GIP) during their lunch period. By attending the GIP, students will be able to work on missing assignments or projects with guidance and assistance from a teacher while they eat their lunch. Students who show progress and receive all passing grades by the end of the week will be excused from GIP. Failure to report to GIP may result in truancy and disciplinary actions based on the number of GIP sessions missed.

# **ACADEMIC INTEGRITY**

If it appears to a teacher that a student may be involved in an incident of academic misconduct, including but not limited to, cheating on an exam, plagiarizing a paper, copying or printing from another student's computer files, interfering with another student's work, or having someone other than the student complete the assignment – the teacher will address the situation with the student. At this point the student will have the opportunity to respond and explain his or her perspective regarding the situation.

The teacher will review the evidence and if the teacher is persuaded that the student has not been involved, that no misconduct has occurred, or that no action is warranted, that will be the end of the matter. If the teacher concludes that academic misconduct has occurred, he or she may then proceed as listed below.

# » Cheating:

- Cheating is the stealing of another individual's work and/or the willful intent of having answers written somewhere to use on tests or quizzes, looking at another individual's sheet to obtain answers in a testing situation, copying of another individual's homework assignment, having someone other than the student complete the assignment to hand in for a grade, or text messaging information or answers to another student.
- Consequences:
  - All students involved may receive a zero for that assignment.
  - Teacher will send a letter to parents/guardians.
  - Discipline referral sent to associate principal to be placed into student's discipline file.
  - After 3rd offense in the same course, student will be removed from class with a "WF" (withdraw/failure).

# » Plagiarism:

- Plagiarism is the use of someone else's writing or ideas as your own and is a criminal act. J. C. Hodges and M. E. Whitten, in the 8th edition (1977:p. 372) of the Harbrace College Handbook (Harcourt Brace Jovanovich, Inc.), describe plagiarism in the following manner: If you, the student, fail to acknowledge borrowed material, then you are plagiarizing. Plagiarism is literary theft. When you copy the words of another, be sure to put those words inside quotation marks and to acknowledge the source with a footnote [or, in our case, a citation]. When you paraphrase the words of another, use your own words and your own sentence structure, and be sure to give a footnote [citation] citing the source of the idea. A plagiarist often merely changes a few words or rearranges the words in the source. As you take notes and as you write your paper, be especially careful to avoid plagiarism. Unless you are quoting directly, avoid entirely the sentence patterns of the source.
- TYPE 1 PLAGIARISM: Not Using Quotation Marks:
  - When you use someone else's words, always put them in quotation marks and cite the source within the body of the text as well as in the literature cited section.
  - If you include a quote, you must use the exact words of the author or it is a misquote.
  - Use quotations only when it is absolutely essential for the reader to know exactly what that particular person said word for word.
- TYPE 2 PLAGIARISM: Not Citing the Source
  - All information/ideas that are not part of general knowledge that you obtained from someone else, must be cited (within the sentence containing the information and in the literature cited section) even if you used your own words.
  - This is taken seriously in science (scientists are always skeptical of information).
- TYPE 3 PLAGIARISM: Paraphrasing is too close to source:
  - It is plagiarism to use someone else's sequence of sentences and just change a few words or their position in each sentence.
  - Read your sources of information, synthesize the material in your head, and then write what you know in your own unique way.
     -adapted from 2002 Marquette University
- Consequences:
  - Paper and/or assignment may receive an automatic grade of zero.
  - Teacher will send a letter to parents/guardians with copy of essay and original source document.
  - Discipline referral sent to associate principal to be placed into student's discipline file.
  - After 3rd offense in the same course, student will be removed from class with a "WF" (withdraw/failure).

- c. have attended the high school for three (3) consecutive semesters immediately prior to the second semester of the year which qualifies him/her for graduation. including participation in a District-recognized foreign exchange program for no more than two (2) semesters, and have earned credits to attain senior status;
- d. be accepted to and planning to attend a Wisconsin University, College, or Technical College;
- e. be selected based on the Grade Point Average (GPA) on the students official transcript as of the last day of the semester which ended just prior to February 25th.

Students enrolled under full-time public school Open Enrollment Program and the Chapter 220 Program who qualify based on the standards identified above are eligible for the Academic Excellence Scholarship in the school they actually attend.

**Selection:** Qualifying recipients will be selected based upon the cumulative grade point average (GPA) on the student's official transcript as of the last day of the semester which ended just prior to February 25th. The designation of scholar will be awarded to the qualifying student(s) with the highest grade point average. The grade point average (GPA) will be non-weighted.

**Tie Breaking Procedure:** Academic Excellence Scholarships will be awarded to the qualifying students with the highest cumulative grade point average. If two (2) or more students have identical cumulative grade point averages, the following tie-breaking criteria, in order, will be used to determine the Academic Excellence Scholarship designee(s):

- a. The student with the highest Laude score through seven (7) semesters of high school shall be the scholarship designee.
- b. If the first criterion does not break the tie, the student having earned the greatest number of overall credits through seven (7) semesters of high school shall be the scholarship designee.
- c. If the first two criteria do not break the tie, the student having the highest composite American College Test (ACT) score available at the end of the seventh semester of high school shall be the scholarship designee. It is the student's responsibility to report the score to the high school.

In the unlikely event that the first three (3) criteria do not break the tie, the District will provide an additional scholarship to accommodate the tie. This scholarship will be under the same terms as the Academic Excellence Scholarship and will use new or existing scholarship monies. Except for the limitation on the number of designated scholars, the faculty of the high school shall select the applicable number of seniors for designation as scholars and shall certify, in order of priority, any remaining seniors with the same grade point average as alternates for the scholars or, if there is no remaining senior with the same grade point average, any remaining seniors with the next highest grade point average, but not less than 3.800 or the equivalent, as alternates for the scholars.

#### **COURSE OFFERINGS**

A complete list of course offerings can be obtained in the current course description booklet from the guidance office or on the THS Academics Page.

#### FINANCIAL AID & SCHOLARSHIPS

Federal Financial Aid includes grants, scholarships, and loans. There are many state, federal, and institutional programs of financial aid with varying and differing requirements. At most institutions, the student does not apply for a particular grant, scholarship, or loan, but rather for financial aid in general. In addition to the financial aid program, several fine local scholarships are available to graduates of Tomah High School. These scholarships are sponsored by local individuals/groups interested in youth of this school district. Interested students may download applications from the THS Scholarships Page after January 1st.

#### SENIOR SCHOLASTIC AWARDS

May 8th, 2023 in the THS Auditorium at 7:30 pm.

#### START COLLEGE NOW

Start College Now is a program that allows eligible high school juniors and seniors to take courses during the school year either on Western Technical College's campus, online, or through distance learning. You can even earn credit at both your high school and Western for these courses. Your Western career coach can assist in determining appropriate courses.

Students must be enrolled in high school, have completed 10th grade with good academic standing, meet course prerequisites, have written approval from a parent or guardian, and have an acceptable disciplinary record. Please see your counselor for more details. <u>View Policy 2271.01</u>

#### PART TIME PUBLIC SCHOOL OPEN ENROLLMENT

Beginning in the 2018-19 school year, a pupil enrolled in a public school in the high school grades may attend public school in a nonresident school district for the purpose of taking a course offered by the nonresident school district. A pupil may attend no more than two courses at any time in nonresident school districts.

Wis. Stat. 118.52

Please see your counselor for specific information on Parttime Public School Open Enrollment.

## EARLY COLLEGE CREDIT PROGRAM (ECCP)

The ECCP statute allows Wisconsin public and private high school students to take one or more courses at an institution of higher education for high school and/or college credit. Under this section, "institution of higher education" means an institution within the University of Wisconsin System, a tribally controlled college, or a private, nonprofit institution of higher education located in the state. See Tomah School Board policy 2271 for more information.

#### **ECCP APPLICATION AND TIMELINE**

- » Step 1: Students talk with their high school counselor to see if it's a good fit for them. They will consider how the class aligns with academic plans and whether they meet the pre-requisite for taking a college level class. Ask when, and to whom, the materials must be submitted to at your high school.
- » Step 2: Student requests information from the institution of higher education where they would like to take classes
- » Step 3: Student obtains an ECCP participation form from their high school counselor
- » Step 4: Student turns in completed application to the counseling office. (Deadline: February 1 for summer; March 1 for Fall semester; October 1 for Spring semester)
- » Step 5: High school principal determines amount of high school credit to be awarded and submits application to Board of Education for approval. High school principal sends Board approved applications to counseling office.
- Step 6: Student follows the application or registration requirements at the campus or program they would like to take classes with. Make sure to submit any required documentation (i.e. high school transcripts along with any prerequisite documentation (AP scores).
- » Step 7: Enroll in your class
- » Step 8: Student submits transcript and books and/ or materials to the counseling office after successful completion of course.
- » Step 9: Counseling office sends transcript and application to authorized school personnel that approves reimbursement of funds for student.
- » Step 10: Completed application and transcript are placed in student cumulative file.

# REACH/XELLO and Academic Career Planning (ACP)

Students at Tomah High School participate in an advisement program called REACH throughout their high school career. REACH stands for Resources for Educational Achievement and Career Help. Students will be grouped with students from their same grade level and will work together once a week with a Tomah High School faculty member as their advisor. Every REACH period, students will work on Academic and Career Planning, using the XELLO program to develop skills to ensure success in high school, develop a career portfolio, and make connections with other students, staff and the community while creating a positive environment to learn and grow. Students will use ACP to connect their high school classes with future career goals and allow them to plan coursework to help them achieve their goals.

#### **COLLEGE CAMPUS VISITATION POLICY**

The on-site visit is probably the most important part of the overall process in selecting a college, university, technical institute, or a military career. It is for this reason that the administration allows each junior and senior up to two days excused absences, at the discretion of the high school administration, for the express purpose of making a visit. It is understood, however that these appointments should be scheduled on non-school days when possible. Parental and office approval are required in advance of the planned visit. It is necessary for the student to pick up official approval in the High School Office and return from the trip with verification of the visit from the school. Failure to do so may result in an unexcused absence.

#### LAUDE POINT SYSTEM

Beginning with the class of 2021 Tomah High School will begin honoring students based on the Laude System. This system will replace the Valedictorian/Salutatorian system. For more information on the Laude System and related classes, please see the 2020-21 THS Course Description Book on the THS Academics Webpage.

#### HONORS REQUIREMENTS FOR SENIORS

The Laude score determines the level of honors earned by the student for graduation.

- Summa cum Laude: 45.00 points and above
- Magna cum Laude: 38.00 44.99 points
- Cum Laude: 20.00 37.99 points

#### **AP COURSES**

Students taking AP (Advanced Placement) courses will be eligible for an AP factor which will be added to the student's GPA. This factor will be .05 added to the GPA for each credit of Advanced Placement coursework in which the student earns a passing grade. (One-half of the factor will be added for a one-half credit AP course.) Please see your guidance counselor for questions related to AP courses.

## **TECHNOLOGY**

Tomah Area School District

# **TECHNOLOGY DEPARTMENT**

The following terms are those approved by the Board in the Technology Device Agreement (version 1.8).

The District's goal in providing technology services is to promote educational excellence by facilitating resource sharing, innovation, and communication. This **agreement** is made effective upon the receipt of the technology device, between the Tomah Area School District, the student receiving a device and his/her parent(s) or legal guardian. While there are differences between school procedures, the information contained within this document applies to all TASD schools. The student and parent(s), in consideration of being provided with a device, software and related materials for use while a student hereby agree as follows:

#### 1. Equipment

- a. TASD defines a "Technology Device" to include not only the computing device (e.g. iPad, Chrombook, Windows laptop, Cellular Internet Hotspot) but also the charging system for the device, the carrying/protective case and any pen (screen touch device). Devices and their components are handed out in a complete set and the parent/guardian/child cannot choose to take only part of a set.
- b. Ownership: The technology device being issued to all students is the sole property of the Tomah Area School District. Each device is on loan to the student and must be used in accordance with the policies and procedures listed below, the Tomah Area School District Acceptable Use Policy and any civil/criminal applicable laws.
  - i. All students are required to use the district-supplied carrying case equipped with a shoulder strap or handles.
  - ii. The Tomah Area School District will retain records of the serial numbers of provided equipment.
  - iii. This agreement remains in effect for a substitute device.

## 2. Actions Required in the Event of Inoperable, Damaged or Lost Equipment

- a. Responsibility for Negligence
  - i. The student is responsible for maintaining a 100% working device at all times. The student shall ensure that the device is not damaged. Refer to the Standards of Proper Device Care section of this document for a description of expected care. The Tomah Area School District reserves the right to charge the student and parent according to the cost table below due to either gross (intentional) negligence or accidental negligence as determined by administration.
    - 1. Examples of gross negligence include, but are not limited to:
      - a. Damage or loss resulting from unattended and/or unlocked device while at or away from school.
        - i. Examples: locker rooms, hallway benches, lunch room tables.
      - b. Lending device to others.
      - c. Using the device in an unsafe environment and/or in an unsafe manner.
- b. Actions Required in the event of inoperable, damaged, or lost
  - i. In the event the device is inoperable, damaged or lost, the Tomah Area School District has a limited number of spare devices for use while the device is repaired or replaced. An immediate replacement cannot be guarantee at all times.
  - ii. Any damage to or loss of the device should be promptly reported to a teacher or administration. Parents and students are encouraged to file a police report if the device is lost, vandalized or believed to be stolen.
  - iii. The student may not opt to keep a broken device or to avoid using the device due to loss or damage.
- c. Technical Support and Repair
  - i. All attempts will be made to repair a damaged device. The Tomah Area School District does not guarantee that the technical support team will make the device operable. In the event that the device cannot be repaired, a substitute may be supplied.
  - ii. All repairs will be performed by Tomah Area School District staff. Students and/or parents/guardians are not to attempt to repair the device on their own.

#### 3. Standards of Proper Device Care

You are expected to follow all the specific guidelines listed in this document and take additional precautions to protect your assigned device. Loss or damage resulting in failure to follow the details below may result in full financial responsibility.

- a. Student Responsibilities:
  - i. Bring the charged device and charging unit to school every day (if you forget them, substitutes may not be available).
  - ii. Students are to have only the district created account on the device. Students are not permitted to create a secondary account.
  - iii. At the end of the school day, students should log out of their device and perform a shutdown procedure. This will ensure any district or device updates are performed.
  - iv. Keep the device either secured, where others do not have access, or within your sight at all times. For example, during

athletic events, practices and trips, store the device in a secure place (your locked hallway locker). Devices left in bags and backpacks, or in unattended classrooms or locker rooms are considered "unattended" and may be confiscated by school personnel as a protection against theft. Unattended and unlocked equipment, if stolen —even at school—will be the full financial responsibility of the student. Other non-exclusive examples of Gross Negligence are listed below:

- 1. Avoid use in situations that may result in loss or damage. For example, never leave devices in the hallway, school vans, in the gym, in the locker room, on playing fields or other areas where it could be damaged or stolen.
- 2. Do not let any other individuals use the device. Loss or damage that occurs when anyone else is using your assigned device will be your full responsibility.
- 3. Adhere to the Tomah Area School District's Acceptable Use Policy at all times and in all locations.
- 4. Read and follow general maintenance alerts from school technology personnel.

#### c. General Care

- iv. The non-exclusive examples below will result in student being responsible for 100% of the repair or replacement cost.
  - 5. Attempting to remove or change the physical structure of the device, including keys, screen, cover or casing.
  - 6. Removing or interfering of any identification placed on the device.
  - 7. Keep the equipment clean. Avoid eating or drinking while using the device.

#### d. Carrying the Device

- v. Always completely close the lid of the device before moving it, even for short distances.
- i. Always store the device in the carrying bag with the bag strap across your shoulder.
- i. Do not place any pressure on the device, even while in the case, as this will damage the screen and other components.

#### e. Screen Care

The device screen can be easily damaged if proper care is not taken. Screens are particularly sensitive to damage from pressure.

- i. Do not touch the device screen with anything.
- ii. Clean the screen with a soft, dry anti-static cloth or with a screen cleaner designed specifically for LCD type screens.
- iii. Never leave any object on the keyboard. Pens or pencils left on the keyboard will crack the screen when the lid is closed, resulting in a damaged device charge to the student.

#### f. Battery Life and Charging

- i. Arrive to school with a fully charged battery. Establish a routine at home to charge your device overnight.
- ii. Avoid using the power adapter in any situation where someone is likely to trip over the cord, or be damaged.
- iii. If the cord becomes damaged and electrical wires are exposed, report the damage immediately to a staff member and cease using that charger. The danger of electrical shock or electrical fire is significant.
- iv. Close the lid of the device when it is not in use, in order to save battery life and protect the screen.

#### g. General Information

- i. Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes.
- ii. Chromebooks are not set up to print.

## 4. Device Use and Conduct

- a. Students may not use the network resources to:
  - i. Create, send, access or download material which is abusive, hateful, harassing or sexually explicit.
  - ii. Download or stream Internet based media when it slows the performance of the network for all users. The district will monitor the network for network performance related issues.
  - iii. Alter, add or delete any files that affect the configuration of a school device.
  - iv. Conduct any commercial business
  - v. Conduct any illegal activity (this includes adhering to copyright laws).
  - vi. Violate the Academic Integrity Policy
  - vii. Access the data or account of another user (altering files of another user is considered vandalism).
  - viii. Install any software onto devices; to copy district school software (copying school owned software programs is considered theft).
  - ix. Forward email commonly known as "SPAM," Unsolicited Commercial Email (UCE), or "junk" email.

## b. For Safety Resons Students should not:

- i. Give out their home address or phone number to anyone on the Internet
- ii. Give password(s) to anyone
- iii. Post anonymous messages

#### c. Discipline

Any student who violates these rules will be subject to disciplinary action at the discretion of administration. Serious or

repeated violations may result in the student's use of technology restricted and/or revoked.

- i. Below is a list of general consequences for disciplinary issues that may arise as a result of non-compliance with the policies of this agreement:
  - » Step 1 Student receives verbal warning from administration
  - » Step 2 Student receives a referral and loses use of device for one day
  - » Step 3 Student receives a referral and loses use of device for one week
  - » Step 4 Student receives a referral and length of loss of device will be determined by school administrator.

In these cases, "inappropriate use" is defined by students using the device for things other than directed by the teacher either during a class or study hall. When this privilege is lost, the student's device will be stored in the main office (or other agreed upon location) until able to return it to the student. Based on teacher request, the student may be allowed to check out their device for a class, but it will be returned after that class.

Should a student be using their device for more serious incidents such as viewing inappropriate websites or material, more significant consequences (including the removal of district technology resources) may be necessary.

#### d. Legal Issues and Jurisdiction

The Tomah Area School District owns and operates the equipment and software that compose our network resources. The district is obligated to take steps to insure that all resources are used legally, hence any illegal use of district resources is prohibited. #### STUDENT VEHICLES ON SCHOOL PROPERTY

Please see page 16 of this handbook for information on Parking Permits and Parking Lot rules.

#### CHANGES TO BUS TRANSPORTATION

Consistency in pick up and drop off location is the best policy for student safety. Permission to ride an alternate bus will only be granted in an emergency situation. Switching buses to ride to another students' house in a non-emergency situation will not be allowed. If you are seeking permission to ride an alternate bus, you must contact your child's principal to discuss this possible change. If permission is granted, the Transportation Department will be contacted by the school on your behalf. When possible, we kindly ask that at least 24-hour notice is given.

#### STUDENT EXPECTATIONS AND STANDARDS

Bus riding is considered a privilege and an extension of the school day. View Policy 8600

In order for a student to retain this privilege, he/she must conform to the following requirements:

- 1. Remain seated when the bus is in motion.
- 2. Keep head, hands, and arms inside the bus.
- 3. Remain in the seat assigned to him/her.
- 4. Act respectfully. Scuffing, fighting and obscene language will not be tolerated.
- 5. Do not litter on the bus. Help keep the bus clean by picking up litter including food or other debris on the bus.
- 6. Pay for damage to the bus which is a result from inappropriate behavior and outside regular wear and tear.
- 7. Be at the authorized loading place and prepared to board at the scheduled time, morning and afternoon.
- 8. Follow the recommended procedure when crossing the roadway. When leaving the bus, stand 10 to 12 feet out in front of the bus and cross only when the driver signals you to do so.
- 9. Inform the bus driver, if possible, when he/she will be absent.
- 10. Cooperate with the bus driver at all times.
- 11. Follow any rules set up by their specific driver.
- 12. Cell phone usage is permitted at the discretion of the driver. Ring tones are to be turned off and taking pictures is prohibited.
- 13. Obtain permission to ride a different bus. No student will be allowed to ride a bus other than his/her assigned bus without permission. A note, written and signed by the parent/guardian, must be sent to school for the principal, or designee, to sign and then the note should be given to the bus driver. View Policy 8600B

## **DISCIPLINARY PROCEDURES**

Upon having an issue with a student, the driver will discuss the issue with the student to resolve it. They will inform the student that if the behavior continues, they will contact the student's parent/guardian and the student will receive a written bus referral. The District retains the discretion to determine the severity of the issue/incident and may skip one or more of the following steps in order to provide consequences that are appropriate for the offense.

REFERRALS: It is our BOE approved process to escalate behavior issues through four referrals of increasing severity. The referrals will start as a phone call from the driver to the parent/guardian to discuss the issues and a bus discipline referral will be submitted. The fourth referral is subject to a minimum of three days suspension from transportation services. A face-to-face meeting will be held with the student, the Principal, a representative from the Transportation Department, and the parent/guardian. The student may be suspended until the meeting is held provided contact has been made with the parent/guardian notifying them of such. Administration will use discretion for additional consequences depending on the severity of the behavior.

LIMITATIONS: This Transportation Discipline Procedure does not override the District Administration's discretion to take additional, separate action, or to impose more severe consequences in appropriate cases. Parents should also be on notice that, while efforts will generally be made to contact them as part of Transportation Discipline Procedures, certain students, types of conduct, and related investigations may not always make immediate contact with parents possible or appropriate. Parental contact will be made as soon as appropriate and when matters such as pupil safety, law enforcement involvement, pupil confidentiality, and the integrity of related investigations are properly addressed.

## **ACTIVITIES & CLUBS**

Students may participate in more than one activity as long as they do not conflict. The Middle School Philosophy promotes full participation in all extra-curricular activities.

In order to provide students with the opportunity to participate in athletics and more than one extra-curricular activity, Wednesdays have been set aside as the meeting date for some clubs and organizations. Students involved in athletics are excused from practice on Wednesday to participate in these other school-sponsored groups. Required meeting dates will be established so students know the dates of meetings they must attend and so advisors to these student organizations will have students in attendance and will be able to accomplish their goals. A copy of this schedule will be distributed to students at their first organizational meeting.

#### LIST OF ACTIVITIES

Our activity programs are grouped into four (4) categories and are governed by eligibility requirements and a code of conduct:

- » Group A. Athletic Teams
- » Group B. Non-Athletic Teams that may perform or compete
- » Group C. Recognized Clubs/Organizations which do not perform or compete
- » Group D. Honorary Positions

#### **ELIGIBILITY REQUIREMENTS**

Students in a private school cannot participate in interscholastic athletic programs but may be allowed to participate in noncurricular activities at the high school providing they meet any eligibility criteria established for the activity. *Refer to Board Policy 9270 - Home-Based or Private Schooling.* If a student graduates at mid-year, WIAA eligibility ends with the last day of the first semester.
