THS Students attend Youth Apprenticeship Day at WTC **Program wields great success**

Tomah High School students visited Western Technical College for Registered Apprenticeship/Youth Apprenticeship Day last Friday. Students were able to tour the Intergrated Tech Building and the Apprenticeship Center. Students also got the chance to talk to local businesses who are looking for Apprentices at the Career Fair portion.

THS's Youth Apprenticeship program is flourishing under the direction of Dawn Pierce, with over 50 students participating, making it one of the largest school YA programs in the area. THS also held it's first Signing Day event for three graduating Seniors going on to Registered Apprenticeships after graduation.
