THS Alumni Wrestler Scott Brookman Honored For 50 Years of Officiating

Scott Brookman, 1972 THS graduate, was honored at our home wrestling tournament for 50 years of service as a wrestling official. As an official, he has hit the mat to decide the winner of wrestling matches at the local level, including the Bi-state Classic in La Crosse starting in the mid-80's, all the way to the state tournament, his first of which was in 1996. He has also called matches for three generations of family members over his 5 decades of officiating. Wrestling didn't start out for him as an official though, Brookman began wrestling in high school, seeing State himself as a wrestler, before going on to wrestle at UW-La Crosse.

He got into officiating after his high school coach needed help calling junior varsity events, and it just continued from there. Brookman stated he enjoys working so much that he does it out of that passion rather than feeling obligated to do it.
