Lemonweir Welcomed Back Students **For The 2023-24 School Year**

Lemonweir Elementary, the district's 45-15 school, rolled out the Red Carpet for the First Day of School, welcoming back students for the 2023-24 school year. There were parents taking first day photos in front of the school sign, hugs for old friends and beloved teachers, 5th graders ready to 'rule the school', and Kindergarteners simply taking it all in.....you could feel the energy!

Kids played on the playground while waiting to line up, their laughter echoing across the school yard. It was a beautiful morning and thankfully, the rain held off until the afternoon, and didn't dampen any spirits! Staff could be seen intermingling with the students, listening to their stories of summer break and getting those 'we missed you' hugs. Once the kids were lined up by grades they started their Red Carpet walk into school! A big thank you to Band Box for generously donating the red carpets again this year! This back to school fun is just another way Lemonweir staff works to make students feel special and welcome!
