Remembering September 11th

Saturday, September 11, is a solemn date as we pay our respect and remember the nearly 3000 victims who lost their lives in the attacks, their families, and all who responded in service to our community and country. Family members and friends from our school district community, the Tomah area, and our nation answered the call through their service as emergency first responders and members of the armed forces. Serving in our hometowns and in locations throughout the world, we're grateful for their dedication to duty and servant leadership each and every day. We will never forget.

-Dr. Charles M. (Mike) Hanson II, Ed.D. Superintendent
