Distinguished Alumni Inductees honored during Homecoming Week

The Tomah High School Distinguished Alumni committee chose Gregory Griffin, class of 1956, and Donna (Blado) Ulteig, class of 1961, as the inductees for 2023. The induction ceremony was held during Homecoming Week, in the High School Auditorium, where the alumni addressed the student body with the intention of motivating and inspiring them, now and into their futures. An unveiling was held afterwards, revealing the addition of their plaques to the THS Distinguished Alumni Wall.

The inductees were invited to ride in the Homecoming Parade through downtown, as well as attend the Football Game, where they were brought down on the field to be recognized during Half-Time. It was a beautiful fall day, filled with celebration! We were so honored as a school district to have Greg and Donna accept this award for their accomplishments and share their experiences and knowledge with our students.
