National Honor Society Induction 2023 Induction Night held at THS

Tomah High School held their National Honor Society Induction Night last week, welcoming in 31 new members (for a total of 50 NHS students!). NHS is only open to upperclassmen with a GPA of 3.5 or higher. The applicants also have to be upstanding and involved students who demonstrate the qualities of the 4 pillars of NHS: Scholarship, Leadership, Character, and Service. To be considered, students complete an application packet, which is then reviewed by a council of staff members. After careful consideration, members are admitted or denied. Once they are inducted, they have to maintain excellent academic standing as well as complete service hours every year. Congratulations to the 2023 Inductees as well as our returning members!
