Tomah's own Brenda Kroener recipient of the Wisconsin Athletic Service Award

Recognized during Pack The Gym Night at THS

Each year the Wisconsin Athletic Directors Association acknowledges a special group of people who go above and beyond for their athletic departments. These people step up when needed and take on responsibilities at sporting events that typically go unnoticed but are a vital part of the game.

This year's recipient of the Wisconsin Athletic Service Award goes to our very own scoreboard/bookkeeper Brenda Kroener. Athletic Director Brad Plueger presented Brenda with the award between basketball games during Pack the Gym Night at the High School last night.

Brenda is a 1985 THS graduate and has been a teacher in the Tomah Area School District for the last 30 years. Her love for sports started at a young age and continues today. For the last 28 plus years after teaching all day you can find Brenda at many middle school or high school sporting events working the clock, keeping scorebook, or selling tickets. Even though we all know Brenda hates being in the spotlight, her dedication to Tomah Athletics doesn't go unnoticed and we want to show our appreciation for all she contributes! Join us in congratulating Brenda Kroener!
