THS Students Get New Opportunity To Compete **With The Newly Formed Figure Skating Team**

Another amazing opportunity came to fruition for our students as the 7 Rivers Figure Skating High School Team became official!

The team is made up of ten skaters, 3 from Sparta High School and 7 from Tomah and will function similar to the Tomah-Sparta hockey co-op team. Skaters from THS are Izabela Garcia, Grace Bardeen, Alaina Koput, Adam Johnson, Gracie Betcher, Dani Ludke and Kylie Moake.

The newly formed team will have three competitions this year. The first was held in December and they competed at three levels: The intermediate level team competed against 13 schools; the low team competed against 15 schools; and the untested team competed against 9 schools. Within each level there are 12 elements that consist of jumps, spins and footwork.

While the skaters themselves are not new to the sport, this new high school team allows them to do something they have never done before: compete as a group! We are excited to cheer on this new team and we welcome them to the Wolf Pack!
