

Dear Class of 2028 Parents and Students,

You are invited to attend a presentation on Monday, February 5th to introduce the registration process at the high school level. Counselors will briefly discuss required first-year courses, graduation requirements for Tomah High School, and admission requirements for both 2- and 4-year colleges. Mr. Joyce will present the Laude Honor System and its benefits for THS students.

The presentation will be held in the high school auditorium beginning at 6:30 pm. Your registration materials will be available for pick up outside the high school auditorium beginning at 6:00 p.m. We will not be handing out paper copies of course description booklets this year. We ask that you use the electronic version on the Tomah Area School District website, www.Tomah.education. Once there click on Schools, Tomah High School, Academic Resources, Course Description Booklet. We will have some paper copies on hand for you to look at if you need to.

If you cannot attend, registration materials will be sent to Tomah Middle School on Tuesday morning, February 6th. We aim for students to register for high school classes February 6th through Feb 19th at 5 PM. During registration, all classes remain open as options for the entire window. Everyone gets an opportunity to register for the classes they want. All registered classes must be entered by February 19th at 5 PM. We will be available by appointment during this registration period, and our number is 608-374-7997.

Sincerely,

Tomah High School Counselors
