

TOMAH HIGH SCHOOL PARKING PERMIT CONTRACT
Parking Permit & Parking Lot Rules

1. Permit cost is \$20, **THERE WILL BE NO REFUNDS. You must have a permit to park in the school lot.**
2. Student must have a valid driver's license before being issued a permit.
3. The **parking permit must be displayed on the driver's side rear windshield of the vehicle.** If the vehicle is a truck and has a topper, the sticker must be placed on the driver's side rear windshield of the topper. Convertibles should display the parking permit in the front lower section of the windshield on the driver's side (make sure to locate in a way that does not impair vision). Motorcycles do not have to display a parking sticker, but must be registered in the high school office and pay the same \$20 fee.
4. Students are **NOT allowed to back into parking stalls.** Backing into stalls could result in a ticket issued by the Tomah Police Department. The Tomah PD needs to be able to drive through the lot and easily see parking permits.
5. In accordance with Board Policy 5771, Search and Seizure, vehicles parked in the school lot are subject to search and seizure at any time there is reasonable suspicion or cause. In addition, Board Policy 5515 states: Students who park their vehicles in any school parking lot or on school property are subject to restrictions on what is displayed on or in their vehicles. Distasteful and/or disruptive expression including, but not limited to, bumper stickers and window paintings determined to be inappropriate by the administration must be removed.
6. The parking lot is off limits during class time unless the student signs out and receives a pass from the high school office.
7. Permits lost or stolen must be reported to the office within 24 hours. Permits lost or stolen may be replaced for an additional \$15, if the permit holder submits in writing to the student council and requests to appear before the council at its next scheduled meeting. Student council will determine if a duplicate permit will be issued.
8. Permits are **non-transferable.** They are valid for the registered student only and cannot be shared with other students.
9. Students must park in the student parking; students in staff or visitor parking will be ticketed.
10. Parking may be limited to upper classmen if space dictates.
11. Any behavior while driving a vehicle on school property which is potentially hazardous to others or the property of others, may result in a suspension of parking privileges.
12. T ASD is not responsible for damage done to vehicles on the school grounds.
