

Lemonweir Elementary

FIRST QUARTER | 2019-2020

A NOTE FROM MRS POPE

A SPOOKTACULAR ADVENTURE FOR KINDERGARTEN

Welcome back! It was my pleasure to welcome all of our students back to school with our "red carpet" treatment again this year.

We have so many exciting things happening at Lemonweir! Our STEAM room is up and running and our students are enjoying every minute of it. We also have a new math series called Ready Math that has our students eager and engaged about math.

There will also be several new additions/changes to our playground with more pictures to come! As always, it is my pleasure to be your child's principal and I look forward to a successful school year. If you have any questions or concerns, please do not hesitate to reach out to me.

Happy Fall!!!

Mrs. Pope

Kindergarten students kicked off their intercession with a field trip to "Spookley the Square Pumpkin" in Black River Falls. This heart warming story about kindness, acceptance and friendship was the perfect way to start their Fall intercession series of Fun on the Farm!

ENJOYING OUR FFVP

Lemonweir was fortunate enough to apply for and receive the Fresh Fruit and Vegetable grant again this year. This grant helps to provide a fruit or vegetable snack option for students at least 3 times each week. We also use this opportunity to introduce new fruits and vegetables to our students. This year they have tried pomegranates, peppers and mango's to just name a few! Ask your student what was on the FFVP menu this week!

WHAT DID YOU DO THIS FIRST INTERSESSION?!

PACK AWARD RECIPIENTS

This year we have expanded our PACK award recipients to include up to one student per class. In the past, it was one student per grade level. We found that we just have too many students doing great things! As a reminder, the PACK award goes to students who have Perfect attendance, Academic perseverance, Citizenship and Kindness.
