## How to Mute Student Comments in Class General Channel

Mute students from commenting in class conversations. This means students will no longer be able to see an inappropriate comment and that the muted students can no longer post or reply in class conversations. You can un-mute students at any time.

1. Select **More options** ••• on your team's tile.

2. Select Manage team

3. Select the **Members** tab. You'll see your students listed. Select the checkmark box under **Mute students** to prevent students from commenting or select the top checkbox to mute all students at once.
