**MITCH KOEL**

Hi, I'm Mitch Koel. I own a lawn & landscape company. During winter there isn't much to do, so I decided to start driving bus to have something to do since I only work when it snows. I enjoy meeting all of the students and hearing about their day and what is new going on with their lives. I'm a substitute bus driver, which can be the best of both worlds. I get to see a different route most every day and have the joy meeting a range of students.
