Join us in thanking our TASD Bus Drivers for all of their care and dedication to the safety of our students. Our drivers cover 41 bus routes that span approximately 3,352 miles every day. Their day starts around 6:00am and concludes around 4:30pm; they service 10 public school buildings and 4 parochial schools. Before each route, they perform a pre-trip inspection to ensure their vehicle is prepared to transport our students in the safest way possible.

"These are special people who care about students and go through all elements to ensure students get to school safely each and every day." -Mr. Jeff Moody, Director of Transportation
